

Thank you so much for joining us for the 13th annual Lobsterpalooza!

We received your order for your tickets. We will be doing the tickets differently this year. There **will not** be any tickets.

When you arrive at the event, please go to the registration table. All your wrist bands and tickets for your party will be in an envelope for you. You can then give your guest their wristband.

Red for Lobster
Blue for Steak

In order to receive your steak or lobster please do not lose your tickets. The servers will take your tickets in order to get your meal.

This years theme is the 70s! We encourage you to dress up to boogie down but this is optional.

We want to thank you for supporting the Chamber and for attending one of our favorite events of the year.

See you August 21st
